

Training Opportunities from AMP

September 9, 2021
Michelle Palmer

This presentation contains Business Confidential Information. Do Not Distribute as Public Information.

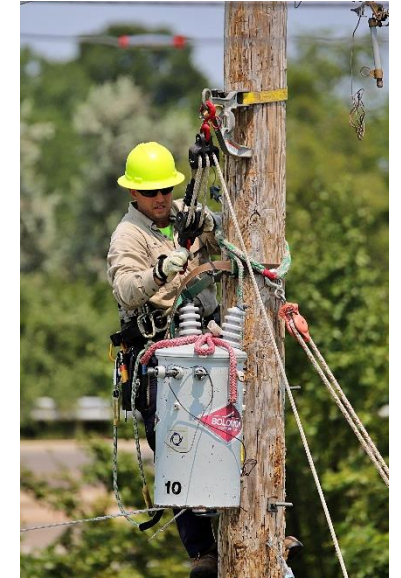

Training Opportunities

- Currently AMP members receive the following training at no cost
 - Quarterly safety visits
 - Annual Hurtman rescue training (scheduled for Oct. 2021)
 - Regional Training
 - Session recently offered in Lansdale and Kutztown covering Underground Electric Safety
 - Next session will be scheduled in 2022

Training Opportunities

- AMP member fee-based training
 - Apprenticeship level training
 - One week per year
 - Offered annually in Columbus
 - Mixture of classroom and hands-on activities
 - Journey refresher training
 - Hotline class
 - Leadership training (in development for 2022)
 - Groundworker (need at least 8 individuals)
- Open to ideas and suggestions

PMEA Training Partnership Options

- AMP and PMEA are currently working on a structure to offer training to non-AMP PMEA members which includes:
 - Pricing equity between AMP and non-AMP members
 - Execution of liability waivers (similar to those already in place with AMP members)
- More to come!

THANK YOU!
